How to Access the Course Handicap Table for a specific club/tee box

Go to [USGA Handicap Calculator](#) (the link is also on the [EBTP website/Responsibilities, Links & Forms tab](#)). Use this table to determine each player's course handicap and enter on the Line Up Sheet.

Step 1

Enter the Handicap index for a given player playing at Contra Costa plus Course & Slope ratings, par from LOI:

index/ course rating/ slope/ par
21.1/ 71.4/ 126/ 72

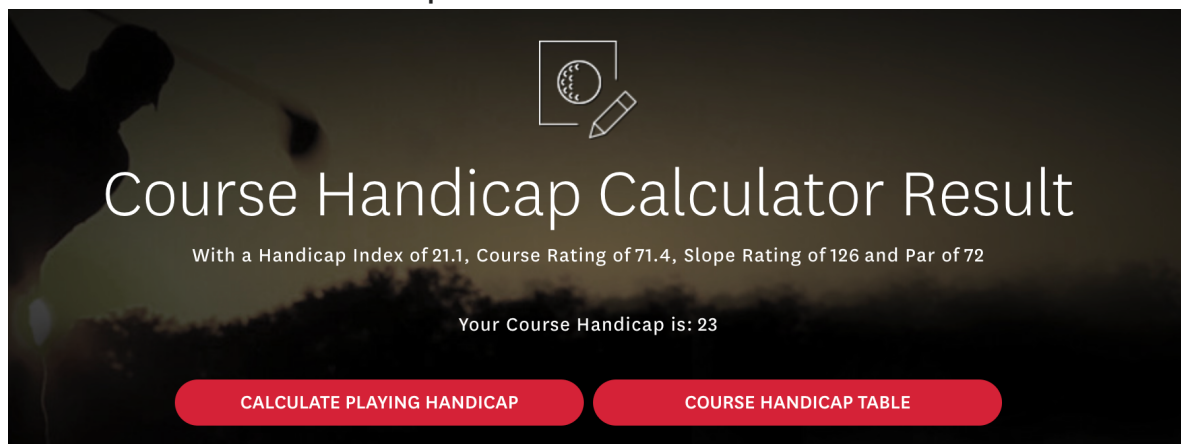

The screenshot shows a web interface for a "Course Handicap Calculator". At the top, there is a silhouette of a golfer swinging a club. Below this, the title "Course Handicap Calculator" is displayed in white text. Underneath the title, there are four input fields: "Handicap Index", "Course Rating", "Slope Rating", and "Par". To the right of these fields is a red button labeled "CALCULATE". Below the input fields, there is a "LOOK UP" link with a magnifying glass icon. In the top right corner, there is a link labeled "QUESTIONS?".

Step 2

Click the "Calculate" button

Step 3

Click the "Course Handicap Table" button

The screenshot shows the "Course Handicap Calculator Result" page. At the top, there is a silhouette of a golfer swinging a club. Below this, the title "Course Handicap Calculator Result" is displayed in white text. Underneath the title, there is a line of text: "With a Handicap Index of 21.1, Course Rating of 71.4, Slope Rating of 126 and Par of 72". Below this, there is a line of text: "Your Course Handicap is: 23". At the bottom, there are two red buttons: "CALCULATE PLAYING HANDICAP" and "COURSE HANDICAP TABLE".
